Yes please. And if we are going to talk about it try to make me feel welcome and happy. I get enough hate as it is.

How did this suddenly interest in the topic spark anyways?

Personally I don't see a problem with discussing it as long as we're all civil and respectful towards each other's opinions.

I don't believe in forcing opinions on people, but I like seeing different viewpoints so I'm always open for discussions on anything.

I don't think we should stop talking about LGTBQ+, it may be a slightly controversial topic but its still a part of everyday life.

You can talk about it but stop trying to force people to agree with it and allow it in their Rps despite it making them uncomfortable.

Why do we need to talk about it? Haven't we talked about it enough? HAVEN'T WE HAD ENOUGH FLAME WARS ABOUT LGBTQ+ YET? OR WILL WE KEEP HAVING FLAME WARS UNTIL EVERYONE CAN REACH THE SAME OPINION ABOUT LGBTQ+, WHICH WILL PROBABLY NEVER HAPPEN?!
